

# Sponsorship Opportunities

**Elevate your company's visibility and gain access to the leading players in the grid and transmission space through sponsorship of the ACORE Grid Forum.**

The ACORE Grid Forum will bring together regulators, renewable, storage and transmission companies, utilities, and leading grid experts to address how to maximize the deployment of renewable energy.

## **ACORE Grid Forum**

October 10, 2024  
Convene, 1201 Wilson Blvd  
Arlington, Virginia

On transmission planning, "...there are so many policy makers, decision makers, members of industry, investors, who are going to be required to come together to make progress."

**Commissioner Allison Clements, FERC**
