# ACORE GRID FORUM

## Connecting America's
# ENERGY FUTURE

October 23, 2025
Convene, 600 14th Street NW
Washington, D.C.

## Sponsorship Opportunities

The ACORE Grid Forum is the premier gathering of executives, regulators, innovators, and technical experts transforming America's electricity grid. With rising electricity demand this high-level event provides strategic insights and fosters dialogue on critical, all-of-the-above grid solutions.

## Why sponsor?

- **2024 was a sold-out event**
- **Get direct visibility and access** to senior decision-makers and position your organization at the forefront of grid transformation
- **An intimate format** with participants from utilities, developers, government agencies, financial institutions, corporate energy buyers, and foundations
- **Focused sessions on pressing grid issues** — from planning and permitting to transmission capacity, resilience, and regional coordination
- **Designed for direct, meaningful engagement** among senior stakeholders on the most complex challenges facing the grid
- **Proven track record of outcomes,** including strategic partnerships, major grid projects, and policy breakthroughs
