

## Accelerate 5th Anniversary Reception Sponsorship Opportunities

February 25, 2026  
Washington, D.C.

Join ACORE, Accelerate members, partners, and friends on the evening of February 25, 2026, as we honor the companies and founders who have shaped this transformational program over the past five years. It will be a night of celebration, and most importantly, community.

Since launching in 2020, Accelerate has supported more than 50 clean energy founders, and ACORE is committed to continuing that support in 2026 and beyond. This gathering will also serve as an important fundraising moment to help expand the access and services Accelerate provides at a pivotal time for these innovators.
